## Summer time in the Bahamas, again

In April, Rick Howard and I did a 4 day trip to the Abacos in search of Bonefish. Used a flyrod for the first time, caught a nice Bonefish. It was more like hunting than fishing.

*Glenn & Rick with the Gray Ghost*

On June 23, we went to the Bahamas with Pat and Rick joining us in their boat the 'Bottomline'. Our plan was to cruise to Cat Island east of the Exumas, however when we reached the Exumas we had bad weather for several days which prevented us from getting to Cat Island.

*Glenn & Rick scooting around in the inflatable!*

In May, Rick, Steve (Bottomline's Captain) & I went to the Freshcreek, Andros Island. We caught so many 30 pound Dolphins, we released at least a couple dozen.

## July Wedding – Pat & Beth

For the July 4th holiday we went to our longtime friend Pat Crenshaw and his new bride Beth Houston's wedding in Waupaca, Wisconsin. We got to visit Mary's old home and see how things have not changed in Norman Rockwell's world. Glenn had never been to Wisconsin—it was fun taking him to the old haunts. We spent time with Jimmy Balistreri and got to spend some time with his family.
